

Community Pharmacy COVID-19 Vaccination Service – Priority Locations

These locations have been identified as priority locations for expressions of interest. If you are expressing an interest in leading a site in these areas you should complete sections 1 & section 2 of the on-line form, giving as much information as possible, since decisions on commissioning may be made from this initial submission.

Expressions of interest from contractors who wish to provide the service from other locations will also be welcomed and will be considered if additional opportunities and system needs are identified.

This list will continue to be updated throughout the EOI period.
